

21. – 22. November 2024

1st Lucerne Shoulder Course

Instructional Course

Hands-On Cadaver Workshop

Dear colleagues, dear shoulder friends

We cordially invite you to the first Lucerne Shoulder Course.

Shoulder surgery is a wide field of orthopedic and trauma surgery including arthroscopy, open surgery, arthroplasty and even fracture management. Together with an international faculty, we will present current surgical techniques. This course focuses on hands-on practice in our Skills Lab including discussions in small groups. The maximum number of participants is limited to 20 with at least 10 instructors to guarantee a high level of interaction with more experienced shoulder surgeons.

We use fresh-frozen cadavers in our modern Skills Lab located on the campus of the Lucerne Cantonal Hospital. We are delighted to show you insights from rotator cuff repair to latarjet, brachial plexus release and different kinds of fracture management of the proximal humerus.

We look forward to welcoming you in Lucerne!

Philipp Stillhard, Chur, Switzerland

Agenda

Thursday, 21. November 2024

Orthopedics

08.00 – 08.30 Welcome & Registration

08.30 – 09.30 Introduction
Indication & Technique:
10' Rotator cuff repair and biceps tenodesis
10' Bankart repair
10' Latarjet
10' AC-joint stabilization
10' Shoulder Arthroplasty

09.30 – 09.45 Coffee Break & Change Rooms Wetlab/Auditorium

09.45 – 13.00 Lab Session 1 & Break Out Session

Participants are divided into 2 groups

09.45 – 11.15 Group 1 → Wetlab
• Rotator cuff repair & biceps tenodesis
• Instability (Bankart repair) & AC-joint stabilization

Group 2 → Auditorium
• Break Out Session with Arthrex/Medacta & Case Discussion

11.15 – 11.30 Coffee Break & Change Rooms Wetlab/Auditorium

11.30 – 13.00 Group 2 → Wetlab
• Rotator cuff repair & biceps tenodesis
• Instability (Bankart repair) & AC-joint stabilization

Group 1 → Auditorium
• Break Out Session with Arthrex/Medacta & Case Discussion

13.00 – 13.45 Lunch break

13.45 – 16.30 Lab Session 2

- Latarjet
 - TSA
 - RTSA
-

16.30 – 17.00 Arthroplasty Challenge with c-arm check

18.30 Course Dinner at Restaurant Pfistern

Agenda

Friday, 22. November 2024

Trauma

08.00 – 09.00 Introduction
Indication & Technique:
10' Arthroscopic plexus release
10' Suprascapular nerve release
10' Nail & plate
10' MIPO
10' Fracture reverse total shoulder

09.00 – 09.15 Coffee break & Change Rooms Wetlab/Auditorium

09.15 – 13.00 Lab Session 3 & Break-Out-Session

Participants are divided into 2 groups

09.15 – 11.00 Group 1 → Wetlab

- Arthroscopy: Preparation suprascapular nerve & plexus release
- Proximal humerus fracture (MIPO and/or Nail)

Group 2 → Auditorium

- Break Out Session with Arthrex/Medacta & Case Discussion
